# RUBBER DAM CLAMPS OXIDE BLACK

## **DENTECH KSK RUBBER DAM CLAMPS "BLACK"**

- ✓ Ideal spring action created by specially selected and tempered stainless steel
- ✓ Sharpened beaks make the best fitting on teeth
- ✓ Black protects the eye from reflecting strong operational light
- ✓ The outside surface is not paint but an oxide layer which is safe for the human body
- ✓ 3 colors, Black, Normal (uncolored) and Matt are available
